## Professional

**Valerio Dewalt Train | Chicago, IL**

Architectural Designer, July 2023 - April 2024

Contributed to the designs and documentation in SD through DD phases for "201 Hillsborough", a 20-story multi-family residential tower located in Raleigh, NC. Contributed to the design and documentation in SD through CD phases for multiple tenant improvement spaces focused on workplace interiors.

**BHA pllc | Chicago, IL**

Architectural Designer, January 2023 - October 2024 (Part-Time)

Collaborated with Brandon Hall Architects on milestone design and permit submissions for bespoke single family residences, as well as K-12 academic projects throughout the Chicago area. Assisted with coordination between interior and architectural sets to push forward documentation to project completion. Developed individual marketing plans for in-house and client presentations.

**DLR Group | Chicago, IL**

Architectural Designer, March 2022 - August 2022

Contributed to small-scale hospitality projects affiliated with the Hyatt Company through contract work.

**Sheehan Nagle Hartray Architects | Chicago, IL**

Architectural Designer, March 2020 - June 2021

Contributed to the designs and documentation in SD through CD phases for the mission critical data center "VCN 1-2", located in Albuquerque, New Mexico. VCN 1-2 is a site specific data center design with a fully customized multi-story administration building equipped for its' employees. This project was conducted completely virtually throughout the COVID-19 global pandemic.

**COOKFOX Architects | New York, NY**

Architectural Designer, April 2019 - October 2019

Contributed to the designs and documentation throughout the DD and CD phases for the Marymount all girls Catholic school of New York City. The Marymount School is a 14-story high-rise equipped with a comprehensive academic program geared for the development of young women. Specifically worked through both phases of design with project team members and related consultants on the detailing, scheduling and coordination of the interior program including all classrooms, specialty spaces, corridors, stairs and doors.

**Solomon Cordwell Buenz | Chicago, IL**

Architectural Designer, February 2018 - March 2019

Contributed to the design and documentation for proposals of higher education student housing and campus design for the University of Purdue and the University of Michigan. Completed both DD and CD phases for The Laurel, a 565,000 SF mixed-use residential tower located on Philadelphia's iconic Rittenhouse Square. Assisted with construction administration throughout the completion of Addison and Clark, a 516,000 SF mixed-use, transit oriented development located in Chicago.

**Studio Gang | Chicago, IL**

Architectural Intern May 2015 - August 2015, Full Time September 2015 - July 2016

Assisted multiple project teams with designs, documentations and modeling through SD, DD, and CD phases for several projects including: Solstice on the Park, Vista Tower, MIRA Tower, Writers Theater, Kresge College, Goose Island Beer Company, NY Fire Rescue, and Aqua Tower.

**DIGSAU | Philadelphia, PA**

Architectural Intern, September - December 2014

Worked on the design and documentation of renovations and additions to an existing elementary school in Conshohocken, Pennsylvania from concept through the SD phase. Assisted with construction administration on the University of Delaware Dining Hall and Dormitories.

**William McDonough + Partners | San Francisco, CA**

Architectural Intern, January - May 2014

Assisted project team through the SD and DD phases with details and documentations for a carbon neutral 28-acre master plan of an Urban Marine Research and Innovation Center at the historic Port of Los Angeles.

## Academic
